CAMP OF CHAMPIONS

CHARLOTTE, NC

Chris Canty
Camp of Champions09
Dear Potential Sponsor,

It is our pleasure to announce the second annual Chris Canty Camp of Champions summer football training camp. The camp will take place June 25–27th at Charlotte Latin School, and will be for youth ages 8–14. Following the camp on Saturday, June 27th, we will hold an autograph session and cookout that will include cuisine from local restaurants, music and great fun for the family.

Chris Canty, a Charlotte Native and former Defensive End of the Dallas Cowboys, currently with the New York Giants, is giving back in a big way. Chris has partnered with his former high school, Charlotte Latin, to give kids an experience they will never forget. The Camp is designed to improve a kid's beginning, intermediate, or advanced football skill level in addition to life skills such as teamwork, communication, sportsmanship, health, and the importance of education. Chris Canty will be joined by many of his current and former teammates from the New York Giants, Dallas Cowboys and current and former Charlotte Panthers, including Demarcus Ware, Jay Ratliff, and Marcus Spears. Head coach of Charlotte Latin, Larry McNulty, and many other current and former NFL players will also join him as part of the staff for the Chris Canty Camp of Champions and will attend the autograph session.

We are seeking support through corporate sponsorships, and from our vendors, friends and associates. If you are willing to make a tax-deductible donation to the Camp of Champions, would like to sponsor a child or are interested in tickets to the autograph session and cookout please contact either number or email below. A portion of the proceeds will be donated to our local chapter of the Juvenile Diabetes Research Foundation and to provide a local deserving youth with a college scholarship opportunity.

Again, we thank you for taking the time to look over our sponsorship opportunities and choose the level of sponsorship you are comfortable with. Thank you for supporting our efforts to encourage youth development in the City of Charlotte and surrounding areas.

Sincerely,

Joseph Canty Director of Development Chris Canty Camp of Champions
